To All Interested Parties:

NOTICE OF DECISION ON LOCAL COASTAL DEVELOPMENT PERMIT NO. 17-07

Los Angeles Beach Access (*Los Angeles Municipal Code* [LAMC] Section 63.44.B.14.(b))

The above referenced Coastal Development Permit was approved with conditions. The permit allows the Department of Recreation and Parks to continue implementation of LAMC Section 63.44.B.14.(b) which restricts access to City of Los Angeles beaches between the hours of 12:00 a.m. (midnight) and 5:00 a.m.

Provided no appeal is filed by November 20, 2017*, the permit will be issued along with a Notice of Permit Issuance, to the applicant and a copy will be sent to the California Coastal Commission, South Coast Area Office. Filing a Notice of Permit Issuance with the Coastal Commission starts a 20-working day period during which an appeal may be made to or by the Commission. The permitted activity would occur within the dual permit jurisdiction area of the California Coastal zone and a separate Coastal Development Permit will be required from the California Coastal Commission.

If you have any questions, or require an appeal form, please contact William Jones of my staff at (213) 485-5760.

Sincerely,

Gary Lee Moore, PE, ENV SP
City Engineer

Environmental Management Group
